Administrative Support Team	MS Word 2016, MS Excel 2016, MS PowerPoint 2016, MS Access 2016, and MS Publisher 2016

Check individual event guidelines for information regarding the use of contestant’s own computers. Contestants who bring their own computer for events, as permitted, must also bring all supporting devices (including portable printer, software, extension cords, power strips, paper, etc.) as outlined in event guidelines. Electrical power will be provided. Carry-in and set-up of equipment must be done solely by the contestant(s), and must take place within the time allotted.

Contestants must bring their own visual display technology for:

- (930) Digital Game Design Team - Pilot
- (940) Website Design Team
- (945) Introduction to Video Production Team
- (960) Presentation Management Team
- (975) Entrepreneurship Exploration

As previously published, all contests will use Microsoft Office® 2016.

Business Professionals of America assumes no responsibility for hardware/software provided by the contestant(s). Contestants who experience failure problems with their equipment will *not* be rescheduled. Contestants bringing their own computers and software should note that contests are authored for the software listed above and may *not* run on alternate software.
