Happy November!

By: Bridget Barrett, Historian

Congratulations to all Career Technology Student Organization participants, particularly the BPA members for your conscientious and diligent efforts towards collecting and donating a total of 2,722 cans for the Delaware canned food drive! We, the BPA Student Officer Leadership Team are extremely proud of our collective effort as a state for such a great cause. BPA Chapter winners of the one complementary SLC registration per a chapter are Fred Fifer the 3rd Middle School, that donated 392/1,779 cans; and Indian River High School that donated 152/943 cans. Congratulations!

Thanks to all our members that represented BPA at the Fall Leadership Conference. The attendance included over 163 representatives from the State's middle schools and more than 140 from the secondary level schools. For those that were not able to attend the breakout session facilitated by the SOLT team, it has been made available on the website ML= (<http://delawarebpa.org/wp-content/uploads/2016/11/Middle-Level-SOLT-FLC-Power-Point.pdf>); and SL= (<http://delawarebpa.org/wp-content/uploads/2016/11/Secondary-SOLT-FLC-Workshop.pdf>) for viewing. Now that our FLC is over, preparations for the State Leadership Conference begin. Our goal is to make SLC a truly original experience, more exciting, more educational, more memorable. We extend "Best of Luck" to all of you in your preparations.
