## **CLOUD STORAGE / FILE SHARING GUIDELINES**

Permission and privacy settings on files sharing sites can be difficult to manage. Business Professionals of America has developed the following guidelines to help guide contestants as they choose the right settings for their submissions. The following is a nonexclusive list, but includes the most popular file sharing sites. Contestants may choose any product or service to share submissions.

| YouTube®        |   |             |
|-----------------|---|-------------|
| Setting         | Description   | Recommended |
| Public Videos   | Show for everyone, and in search results  | No          |
| Unlisted Videos | Do <i>not</i> show up on YouTube, Not found in search results, anyone with the links can see the video. The sharable link can be viewed by anyone.            | Yes         |
| Private Videos  | Only be seen by users selected by the owner and<br>added by e-mail address, invisible to other users, does<br><i>not</i> show up on channels, or in searches. | No          |

Vimeo®

| Setting                     | Description  | Recommended |
|-----------------------------|--|-------------|
| Anyone                      | Allow anyone to see the video                          | No          |
| Only me                     | Makes the video only visible to me and no one else     | No          |
| Only people I follow        | Make the videos visible only to people I follow        | No          |
| Only people I choose        | I'll select people with whom I want to share the video | No          |
| Only people with a password | Protect this video with a password; be sure to include | Yes         |
|                             | the password on the entry form                         |             |

**Dropbox**<sup>®</sup> - \*settings may be different depending on user's subscription

| Setting | Description   | Recommended |
|---------|---|-------------|
| Share   | Create a link, and Anyone with the link can view this | Yes         |
|         | folder  |             |
| Share   | E-mail to person, or add Name                         | No          |

**Google Drive**<sup>®</sup> - please review the settings carefully; recommended not to use Get shareable link option.

| Setting                     | Description   | Recommended |
|-----------------------------|---|-------------|
| Share: Anyone with the link | Anyone that has the link will be able to view the files | Yes         |
| can view                    | without a Google Account                                |             |
| Share: Anyone with the link | Anyone that has the link will be able to access the     | No          |
| can edit                    | files and edit them.                                    |             |

Microsoft OneDrive<sup>®</sup> - the key with this cloud storage site is to share from the folder level; use the Share and Get Link option.

| Setting                        | Description   | Recommended |
|--------------------------------|---|-------------|
| Anyone with this link can      | Share the folder and use the Get Link option to allow | Yes         |
| view this item.                | access and only view the files.                       |             |
| Anyone with this link can edit | Share the folder and use the Get Link option to allow | No          |
| this item                      | access to edit files, folders, etc.                   |             |
